

MMA

KEY RESIN COMPANY

Key Resin Methyl Methacrylate flooring systems are durable, impervious, UV resistant, long lasting and easy to maintain. Installation with flexible membrane allows for concrete movement and is ideal for freezer or exterior applications.

ADVANTAGES

- 100% solids reactive MMA resin
- Extremely fast cure, < 1 hr per coat
- Install in temperatures as low as -20 F
- High impact and wear resistance
- UV resistant, interior or exterior applications
- Excellent resistance to acids and alkalis

TYPICAL USES

- Restrooms & locker rooms
- Walk-in coolers & freezers
- Grocery stores & markets
- Stadiums & public facilities
- Manufacturing & packaging
- Health & research facilities
